

Grade 3

Supply List 2020-2021

We are looking forward to a wonderful school year! Below is the list of supplies your child will need for the year. **Now more than ever, it is important to label all of your child's school supplies with their first and last name. We are trying to limit the amount of supplies that need to be shared.**

You do not need to send in all of these supplies on the first day of school. You can spread it out to make it easier for your child to carry with them.
